

# National Yang Ming Chiao Tung University

## Regulations on Information Service Usage Fees Management

Approved by the 5th administrative meeting of the 2023 Academic Year (March 27, 2024)

1. The Information Technology Service Center (hereafter, the Center) of the National Yang-Ming Chiao Tung University (hereafter, the University) is dedicated to providing a high-quality environment for the use of information services, and to complying with the Information Security Management Act and the related regulations on intellectual property rights. Based on the principle of user fees, the Center has formulated the regulations.
2. The information service usage fees are used for system development, software and hardware purchases and maintenance, and related personnel employment for the Center's information services.
3. Service Charges: Charges vary based on the service. For annual services, fees are calculated yearly; for new applications, the annual fee is prorated monthly. The fees standards are listed as follows:

Item	Fee Standard
Single Domain Name	
Annual Fee	NT\$1000/year
Self-managed Domain	
Annual Fee	NT\$5000/year

(5) GPU Services

Item	Fee Standard	Notes
A6000	NT\$4000 per unit per week	1GPU/8CPU/180G RAM/600GB storage
P100	NT\$2000 per unit per week	1GPU/4CPU/90G RAM/600GB storage
Value-added Services		
Additional Memory	NT\$100 per GB per week	
Additional Hard Disk Storage	NT\$50 per 100GB per week	
Additional CPU	NT\$200 per CPU per week	

(6) Server Room Colocation Services

A. Hosting for administrative units is free of charge.

B. Charging of other units

a Level 1 server rooms

- Room 503, Library Information and Research Building, Beitou Campus
- Room 105, Teaching and Learning Building, Beitou Campus
- Server room on the first floor of the Information Technology Service Center, Guangfu Campus

Items	Fee Standard
High-speed computing server (GPU 、 HPC)	NT\$10000 /1U /year
General server (include NAS)	NT\$6000 /1U /year
Network switches and other equipment	NT\$3000 /1U /year
High energy consuming equipment	NT\$25000 /1U /year

b Level 2 server rooms

- B14, Shou-Ren Building, Beitou Campus
- Server room on the 9th floor of the Hsien-Che Building, Boai Campus.

Items	Fee Standard
High-speed computing server (GPU 、 HPC)	NT\$8000 /1U /year
General server (include NAS)	NT\$4000 /1U /year
Network switches and other equipment	NT\$3000 /1U /year
High energy consuming equipment	NT\$20000 /1U /year

- c The reference standard for high energy-consuming equipment refers to the total power consumption of a single machine exceeds 2000 watts.

(7) Website construction services

- i. NYCU WEB blogs are free of charge.
- ii. cPanel Web Platform

Items	Fee Standard
Basic annual website fee	NT\$1500 /year
Increase website space	NT\$600 /10GB/year

- iii. Campus website co-construction platform

Items	Fee Standard	Remarks
Basic annual website fee		
Administrative and teaching units	NT\$3000 /year	First-level administrative units can apply for one website free of charge.
Research centers	NT\$6000 /year	
Other websites	NT\$8000 /year	
Self-provided SSL certificate	Fee waiver NT\$1000 /year	
Increase website space	NT\$600 /10GB/year	

(8) Microsoft Server and SQL Server Software License Services

Items	Fee Standard
Windows Standard	NT\$2000 / per IP /year
Windows Datacenter	NT\$10000 / per IP /year
